

The AIM Institute is an innovative nonprofit that grows, connects, and inspires the tech talent community through career development and educational programs. Through these efforts we improve thousands of lives across the Silicon Prairie.

CELEBRATING THE COMMUNITY'S BEST IN TECH

TECH CELEBRATION & AWARDS CEREMONY

SAVE THE DATE
THURSDAY, NOVEMBER 14, 2019

HELP US BUILD OUR TECH COMMUNITY

In addition to supporting the promotion of technology, your sponsorship dollars also go to help grow the AIM Youth and IT Student Pipeline programs. By providing student with tech programs they may otherwise miss out on, together we can spark their interest young, which further develops the community and encourages future tech professionals to stay in the Midwest.

TECHCELEBRATION.ORG

A ONE-OF-A-KIND EVENT

AIM Institute's Tech Celebration is not only an award ceremony that celebrates the accomplishments of local individuals and businesses in the field of technology, but is also our annual fundraising gala. **Join us on November 14, 2019 for a silent auction, dinner, awards, and entertainment.**

This event helps fuel our nonprofit mission to grow, connect and inspire the tech talent community while coming together for an evening of networking and celebrating amazing achievements.

NOMINATE THE BEST IN TECH

Our Tech Celebration award winners are nominated by members of our community. AIM proudly recognizes top talent in categories including:

- K-12 Tech Student
- College Tech Student
- K-12 Tech Educator
- College Tech Educator
- Tech Leader
- Tech Innovator
- Exemplary High-Growth Business
- Exemplary Enterprise Business

AN OPPORTUNITY FOR GIVING

Support from our community helps us continue to reach youth with no-cost tech education that they would not otherwise experience.

In 2018, Tech Celebration donations, silent auction items and sponsorships helped us:

- Connect over 11,700 elementary, middle and high schools to STEAM education programs
- Grow the local tech talent community by converting nearly 500 people into IT careers through our Interface Web School programs and Tech Concierge services.
- Inspired over 8,300 tech professionals through our conferences, leadership academies, and events hosted at The Exchange.

However, our work isn't done yet. There are even more youth across Omaha who need access to these opportunities.

The AIM Institute is an innovative nonprofit that grows, connects, and inspires the tech talent community through career development and educational programs. Through these efforts we improve thousands of lives across the Silicon Prairie.
